Subject: RE: call with RAQC/CDPHE and EPA on 179B modeling

Hi Ken,

Here is a conference line for the call on Wednesday 10 am MDT/noon EDT, and we will also send some questions about the modeling on Monday in case that is helpful to prepare for the discussion.

Call In Number: Personal Matters / Ex. 6
Code: Personal Matters / Ex. 6

Thanks for setting this up on short notice,
Gail

Gail,

10 am next Wed. works for us. We will also need to include Ralph Morris and Dennis McNally so we will check on their availability.

Ken

Hi Ken, Gordon,

The EPA/OAQPS modelers would like to schedule a time to talk with you about technical aspects of your 179B modeling. Would you have time next week on Wednesday at 10 am MDT or Thursday at 1:30 pm MDT? If those times don't work, I can look for a time in the following weeks.

Thanks,
Gail
